

# SWIMSENSE™ LIVE

BLUETOOTH® SWIM TRACKER

#1.30.054

ELECTRONICS

## FEATURES & BENEFITS

### WATERPROOF IPX8

Designed for swimming, built to withstand continuous water immersion

### INCREASE WORKOUT QUALITY

Allows users to visually track progress and gain insights on the health benefits associated with swimming

### OPTIMIZE TRAINING

Provides a detailed analysis of workout data including total laps, time intervals, pace, distance-per-stroke, calories and SWOLF (efficiency score)

### STORAGE CAPACITY

Device stores up to 14 workouts, FINIS Live™ application stores all summary data

### CUSTOM SETTINGS

Ability to customize pool distance, preferred measurement settings, gender and weight

### RECHARGEABLE LITHIUM-ION BATTERY

Up to 7 hours of battery life, includes magnetic dock with USB cable for charging

### ANALYZE STROKE-SPECIFIC DATA

Utilizes proprietary algorithms to identify and record intervals and distance for all four swim strokes

### HIGH-CONTRAST OLED DISPLAY

Displays up to 5 essential statistics in real-time

### BLUETOOTH® COMPATIBLE

Download the FINIS Live™ application to immediately review workout statistics from multiple devices

Windows® & Mac® Compatible  
Android™ & iOS® Compatible

## PRODUCT DESCRIPTION

The Swimsense™ Live is a waterproof fitness-tracking device that uses proprietary algorithms to record the most accurate swim workout data. Designed to help all swimmers, from beginner to elite, optimize time spent in the water. The Swimsense™ Live is engineered to capture stroke count, total distance, time/pace and more. Using the FINIS Live™ application, users can view and share workout data from multiple devices. The Swimsense™ Live is the ideal training tool for any swimmer looking to build motivation, promote healthy habits and make the most of every swim.
