

NEW FROM **FINIS**[®]: SWIM TEACHING PLATFORM (STP)

Make the most of your pool space with the new FINIS Swim Teaching Platform (STP).

Unique moulded vinyl ester chlorine resistance fibreglass platform using Class 12 UPVC pipe for lasting durability and stability.

STP covered with 5 year warranty against manufacturing faults

The STP 1200mm is designed to withstand the weight of 600 lbs. Recommended for classes with 3 to 4 children per side.

The STP 1800mm is designed to withstand the weight of 1,200 lbs. Recommended for classes with 5 to 6 children per side.

A worldwide licensing agreement has been entered between FINIS and Kirby Swim Equip of Australia effective May 4, 2010 for distribution of the Turnmaster Pro (TMP) and Swim Teaching Platform (STP) under the FINIS brand.

FINIS has been a partner with USSSA since 2002
